# Your ambitions aren't ordinary, so why should your bank be?

- Consistently competitive interest rates
- Outstanding customer service
- Protected by the Financial Services Compensation Scheme (FSCS)

United Trust Bank (UTB) is a multi-award winning, customer focused UK bank providing an extensive range of savings products to individuals, businesses, charities, schools and colleges.

We are a nimble and responsive bank, quick to react to changing markets and committed to offering competitive interest rates. We have been helping customers make more of their savings since 1955, offering a range of fixed, notice and tracker deposit accounts backed by our highly rated customer service.

As an independent bank with our own banking licence, our deposits customers enjoy the peace of mind and full protection provided by the Government's Financial Services Compensation Scheme (FSCS) and the Financial Ombudsman Service.

## We go further so you can too

### Personal Accounts

Fixed and variable rate accounts providing a safe place for customers' savings to grow.

### ISAs

Individual savings accounts enabling personal customers to grow their savings tax-free.

### Business Accounts

Simple and secure solutions for businesses, sole traders, pension funds, trusts, education providers, credit unions, clubs and societies to make their surplus funds work harder.

### Charity Accounts

Competitive rates for charities and schools from a values and relationship driven bank.

### Deposits Solutions

Bespoke products for customers with £1m or more, expertly managed by our team of savings specialists.

## United, we go further

Effective date: 23rd January 2025

United Trust Bank is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.
