Light Refurbishment Loans

Light refurbishments are typically where the total cost of works is less than 20% of the current value and the works do not require planning permission. They usually involve internal works such as redecorations, new kitchens and bathrooms and internal reconfigurations. Structural changes and small extensions under permitted development rights can be considered provided the property is residential at the outset and remains residential after the works are completed.

Legal Fees
The borrower is responsible for paying all legal fees, costs and disbursements associated with the loan. For regulated loans up to £1m, Dual legal representation is available.

Valuation Fees
AVMs are free of charge and can be used for loans of up to £1.25m, up to a maximum of 65% LTV, and a maximum value of £2m value per security property. Where a red book valuation is required, we will instruct a valuer from our panel to carry it out. We will provide the borrower with a choice of at least 2 valuation fee quotes whenever possible. The valuation fee is payable by the applicant directly to the valuer prior to the valuation being carried out.
